stasbarinoff@gmail.com

**Address:**  
Minsk, Belarus

## ABOUT ME

Started programming in 2016. 5 year of web development experience, 4 year mainly as a React developer. Confident knowledge of HTML, CSS, JavaScript, React. Studied independently and also graduated from Rsschool and MyFreedom Front-End/React development courses. I enjoy working in a team environment and learning new technologies. In addition, i've a lot of experience in the design and production of audio and video.
