EXPERIENCE

FlexiTech

(06/2025 – Present)

Exadel

(12/2021 – 06/2025)

- Developed a sophisticated **time tracking system** for employee reporting
- Led a front-end team of 4 developers, optimized Scrum processes, with 100% sprint delivery success over a **2-year** period.
- Implemented CI/CD and a high-quality unit testing process (80% coverage), creating an extensible component framework, which reduced production bugs by **20%**
- Configured client processes and client-server interactions, reduced API/server load by **10.3%** and speeding up the application by **12.1%**
- Trained new employees, improving the overall onboarding process and enhancing the team's code quality

Technologies: Vite, Typescript, React, Keycloak, Material UI, React Query, Jest

Arateg

(6/2020 – 12/2021)

- Developed **3** projects from scratch as Lead React Developer, [one](#) of these projects is now the largest in the gambling industry in the country.
- Migrated a large-scale application to Next.js and optimized SEO within **1.5 months**, resulting in a **15%** increase in user flow and a **10.4%** improvement in page load times.
- Collaborated with designers to create user-friendly and visually appealing UI including building a custom library of more than **20** components and developing animations for the entire application

Technologies: Webpack, Typescript, React, Ant Design, React Spring, Apollo, Jest

MR Soft

(1/2019 – 6/2020)

- Developed corporate npm component library consisting of more than **30** components that were used on more than **5** projects
- Fixed over 200 bugs on a very complex legacy JavaScript codebase requiring deep knowledge of JavaScript, HTML, and CSS resulting in a **30%** decrease in customer support tickets
- Conducted over **20** interviews to recruit new team members for the project.
- Mentored **5** junior developers who progressed to mid-level roles

Technologies: Webpack, Typescript, React, Axios, Storybook, Jest

EDUCATION

Belarusian State Academy of Arts - Bachelor's Degree (2014 - 2019)

Sound Engineering

The Rolling Scopes School (2018 - 2019)
